10 February 2016

Dear Parent/Carer,

In order to fully prepare our year 11 students for the challenges of the summer examination period and identify gaps in current knowledge, understanding and skills, we have planned a final week of 'mock' exams to take place during the week beginning **Monday 29th February 2016**.

The mock examinations are a crucial part of Year 11 students' preparation for their final GCSE examinations and should be approached with the same degree of seriousness and effort. In a sense they are a "dress rehearsal" for the real thing, but additionally, they are part of the learning process required to ensure that students achieve their full potential in their final GCSE examinations.

I have attached a copy of the exam timetable to enable you to help your son/daughter to fully prepare for the 'mock' exams. Your son/daughter will be given a full programme of revision by each of their subject teachers and we thank you in advance for the support and encouragement you will give to your son/daughter regarding revision preparation at home.

On our school website under "Learn with us", there is a section on Revision, where your son/daughter will find an electronic copy of their 'mock' exam timetable, more guidance on revision techniques and a planner to help them make a revision timetable.

Should you have any questions or concerns regarding the forthcoming exams, please do not hesitate to contact me at school.

Yours faithfully

A handwritten signature in black ink, appearing to read 'M Hill', with a long horizontal flourish extending to the right.

M. Hill
Assistant Headteacher
