18 November 2016

Dear Parent/Carer

We at Sacred Heart Catholic Voluntary Academy are keen to encourage our students to contribute more to the various communities they belong to; whether that means at home with their family, at school with staff and their peers, or within their local community.

This week Year 9 students have been introduced to a new challenge designed just for them: 'Braggin' Ritez'. This is a booklet of 15 activities designed to encourage our young people to think of how they can help those around them.

The aim of the booklet is for students to work through and try to complete at least 10 of the ideas throughout the year. The completion of 10 will be rewarded with a 'pass' to the end of the year activities.

A copy of the booklet can be found in each form room as well as on Insight, should you wish to see exactly what each activity entails. Students have been given a record log for their planners, so they can monitor and track their achievements, with an adult signature to confirm that they have indeed completed the task.

We would greatly appreciate your support with this idea, particularly as some of the tasks are centred around family involvement! We hope that the activities aren't arduous and they are certainly not designed to create more 'work' for our students or for yourselves; we would like you to have fun, make memories and to help shape our students into the next generation we can be proud of.

Many thanks for your ongoing support.

Kind regards

Mrs E Makin
Student Achievement Leader for Year 9
